**Concast Metal Products Co. Names Martin A. Little
Executive VP Sales & Marketing**

**Former Kulkoni VP Will Oversee
All Sales Functions**

MARS, PA – October 6, 2011 – Concast Metal Products Co., U.S. leading manufacturer of continuous cast copper alloys, has named Martin A. Little as its new Executive Vice President of Sales and Marketing.

Mr. Little comes to Concast with an extensive career in sales and marketing with a focus on metal sales and distribution. Most recently Martin was Division Vice President of Kulkoni Precision Metals in Houston, Texas where he started the division.

Martin will work out of the Birmingham, OH plant and will be responsible for all sales and marketing functions.

About Concast

For over 50 years, Concast has been producing specialty copper based alloys in two locations – Mars, Pennsylvania and Birmingham, Ohio. Concast is an industry leader as a single-source supplier, offering both leaded bronze and aluminum bronze products to its customers, and most recently, wrought mill products. For more information, visit www.concast.com.
